“THE 15,000-SQUARE-FOOT Remède Spa is a soothing place to escape for a day. Have a massage or facial, relax in the Oxygen Lounge or unwind in the hot tubs.” (970) 920-6783, remede.com.

"WE TEND TO CHOOSE pale colors for bathrooms. Color and lighting can alter complexions, and a warm, neutral palette makes everyone look better!"

"THE MAYA ROMANOFF Leather Weaves (used on the ceiling of this massage room) are great for bathrooms because they have a wipeable surface and can withstand moisture. Plus, the woven finish adds texture." Leather (\$41.60/yard), John Brooks, Denver Design District, (303) 698-9977.
